Program Objectives

The 2015 Adult Critical Care Conference will feature lectures, case presentations and educational sessions on a variety of acute and critical care issues facing health care professionals today. This one day conference will focus on current trends in the management of acute and critical care patients. The program is designed for physicians, nurses, respiratory therapists, advanced care practitioners and all allied health professionals involved in the care of adults in an acute or critical care setting. No prerequisites are required. Upon completion of this program participants should be able to:

- Review key concepts of acute systolic heart failure in the ICU Setting
- Examine future advancements in critical care
- Discuss new concepts in the care and monitoring of the critically ill patient
- Discuss current updates in the neuroendovascular treatment of SAH and acute stroke
- Review current advancements in pharmacy and critical care anticoagulation and medication management
- Review current treatment aspects for PTSD and the veteran population

Conference Accreditation

Physicians – The CAMC Health Education and Research Institute's CME program is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The CAMC Health Education and Research Institute designates this educational activity for a maximum of 7 AMA PRA Category I credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses – This offering has also been approved for 7 contact hours (P015-17-15938) (AO-212) by the CAMC Health Education and Research Institute, which is an approved provider by the West Virginia Nurses Association, which is accredited by the American Nurses Credentialing Center's Commission on Accreditation.

This program has been approved for 2 contact hours of nursing credit in mental health conditions common to veterans and family members of veterans to include screening for conditions such as post-traumatic stress disorder, risk of suicide, depression and grief, and prevention of suicide.

This program is approved for 1.0 hours of education in pharmacology and the clinical management of drug therapy.

Respiratory Therapy – This program is accredited for 7 contact hours by the West Virginia Board of Respiratory Care, provider number is WVBORC 04-06-014.

Pharmacy -- The CAMC Health Education and Research Institute is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This knowledge based activity provides 6.5 contact hours UAN 0554-0000-15-052-L04-P.

To receive credit, participants must complete the sign-in sheet, attend each session and complete an evaluation. CPE credits will be posted online to the CPE Monitor within six (6) weeks following the activity.

Disclosure

It is the policy of the CAMC Health Education and Research Institute that any faculty (speaker) who makes a presentation at a program designated for AMA Physician's Recognition Award (PRA) Category I or II credit must disclose any financial interest or other relationship (i.e. grants, research support, consultant, honoraria) that faculty member has with the manufacturer(s) of any commercial product(s) that may be discussed in the educational presentation.

Program Planning Committee Members must also disclose any financial interest or relationship with commercial industry that may influence their participation in this conference.

All faculty and planning committee members have declared no relationships exist.

Grievance Policy

Complaints or conference content questions should be submitted in writing to the CAMC Institute Department of Continuing Medical Education, 3110 MacCorkle Avenue SE Charleston, WV 25304 or by email at institute@camc.org
