Program Overview and Objectives

This annual seminar features lectures and panel discussions on a variety of neonatal and related issues. The program is designed for neonatologists, pediatricians, obstetricians, maternal fetal medicine specialists, family physicians, nurses and other allied health professionals involved in the care of mothers and neonatal infants. Upon completion of this seminar, participants should be able to:

- Summarize the effect of Zika infection on pregnancy outcomes and define clinical considerations
- Discuss the stages of brain development and the effects of toxins and infectious agents
- Review congenital infections and their effects on the brain
- Discuss the epidemiology of recent arboviruses and emerging pathogens
- Identify the current diagnosis and treatment options of neonatal seizures
- Review current research and evidenced-based medicine conundrums
- Discuss Autism Spectrum Disorder and treatment options
- Describe fetal alcohol spectrum disorder and present treatment

Disclosure:

It is the policy of the CAMC Health Education and Research Institute that any faculty (speaker) who makes a presentation at a program designated for AMA Physician's Recognition Award (PRA) Category I or II credit must disclose any financial interest or other relationship (i.e. grants, research support, consultant, honoraria) that faculty member or significant other has with the manufacturer(s) of any commercial product(s) that may be discussed in the educational presentation.

Program Planning Committee Members must also disclose any financial interest or relationship with commercial industry that may influence their participation in this conference. Except were noted, all presenters and faculty have disclosed that no commercial relationships exist.

Cancellations and Substitutions Policy

You may cancel your registration up to 10 business days before the program and we will refund your full registration. If you need to cancel less than 10 business days prior to the program you may 1) send a substitute from your organization or 2) transfer your registration fee to another program of your choice that is scheduled within 12 months of your original event. Please note, if you don't cancel and don't attend you are still responsible for payment.
