Program Overview and Objectives

The West Virginia Pharmacist Education Conference will provide an opportunity for pharmacy residents from West Virginia to meet and present continuing education to pharmacists in the tri-state area. This conference will offer current pharmacy practitioners and leaders the opportunity to network with future leaders in the profession. The target audience for this conference includes pharmacists, pharmacy residents, residency program directors and preceptors as well as other interested health care professionals. By attending this conference the participants should be able to:

- Incorporate new information presented at this conference into daily practice
- Review new drug therapy guidelines and/or practices
- Compare/contrast new practice perspectives or service suggestions
- Develop professional contacts with peers and colleagues throughout the tri-state region

Accreditation

The CAMC Health Education and Research Institute is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program has been approved for 6 contact hours under program approval 0554-0000-10-031-LO4-P. The State of West Virginia Board of Pharmacy has approved the End of Life presentations under approval number WV2010-02-01-EL (2.0) End of Life. The participant is required to register, sign-in for each session and complete a course evaluation. Partial credit will not be given. Statements of credit will be mailed within six weeks of the end of the conference.

Location

This conference will be held in the auditorium of the Robert C. Byrd Health Sciences Center of West Virginia University - Charleston Division, 3110 MacCorkle Ave. SE, Charleston, WV (on CAMC's Memorial Hospital campus). The facility is located on Route 61, east of downtown Charleston and is easily accessible from the 35th Street exit of I-64 east and I-77 south and the MacCorkle Avenue exit of I-64 west and I-77 north.
