Comfort Zone

Every effort is made to have a comfortable temperature in the meeting rooms and we realize everyone's comfort zone is different. Please bring a sweater or light jacket in case the room is to cool.

Location

Situated within the 2,000-acre Stonewall Resort State Park and combining rustic grace, world-class recreation and superior hospitality, the AAA-Four Diamond rated Stonewall Resort is fast becoming the region's premier vacation and conference destination.

The Adirondack lodge at Stonewall sits lakeside and provides its 198-rooms, restaurant/lounge, Spa, indoor/outdoor pool, fitness center and meeting facilities with views that soothe the soul and free the spirit. For meetings, gatherings or special occasions, the resort's 22,000-square feet of conference space can accommodate any function. Stonewall Resort provides a four-season, relaxing escape from the everyday world and is located approximately three-miles off of Interstate 79, the major North/South route through West Virginia, at Exit 91 (Roanoke).

For additional information or reservations, contact Stonewall Resort at 1-888-278-8150, or visit the Web site at www.StonewallResort.com.

Conference Overview and Objectives

We would like to invite you to the 2011 West Virginia Trauma Symposium to be held at the Stonewall Resort, Roanoke, WV. This conference is designed for trauma surgeons, general surgeons, emergency room physicians, nurses, mid level providers and prehospital health care, coding specialists and health information professionals. A registrar workshop will be presented as a separate meeting during the closing day of the conference. All registrars working in the trauma arena are encouraged to attend. This conference will represent a collaborative effort between experts in various trauma disciplines from around West Virginia. An eight-hour Trauma Nursing Workshop will be held on the opening day of the conference featuring topics on surgical trauma and complications. The speakers will present progressive and challenging issues in the field of trauma care. The State Trauma Audit Review/ State Trauma Audit Committee meetings will begin Friday afternoon Feb. 18 and conclude on Saturday, Feb.19. All conference attendees are invited to attend.

At the conclusion of this program participants should be able to:

- Discuss current trends in pediatric trauma
- Review fluid resuscitation management in trauma care
- Identify current strategies in the management of hypothermia
- Review the new surgical techniques in acetabulum/pelvic fractures
- Review complications identified in cardiovascular trauma
- Discuss treatment of crush hand injuries
- Examine the role of embolization/stenting in the trauma patient
- Identify current treatment strategies of care for the palliative care patient
- Recognize trauma assessment guidelines in pancreatic/duodenal injuries
- Describe current challenges of trauma care in a rural trauma center
- Describe current technical advances in rehabilitation medicine
